1. RESEARCH COMMITTEE

1.1 Objectives:

1. To develop and recommend the adoption of research-related policies within the Faculty.
2. To support research development opportunities for Faculty, to make determinations regarding internal research funding opportunities.
3. To promote Quality Research in search of Knowledge and Truth.
4. To review the research proposal and finalize the topic of the research.
5. To guide the research scholar to develop the study design and methodology of research.
6. To periodically review and assist in the progress of the research work of the research scholar.
7. To support inter-departmental research collaborations.
8. To increase the number of patents applied and publications each year.
9. To review Ethical Safeguards of the proposed Research.
10. To ensure the Rights, Safety and well-being of the trial Subjects / Respondents / Participants

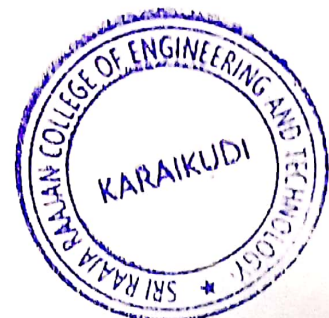

1.2 CHAIRPERSON:

Dr. A. Elango, Principal

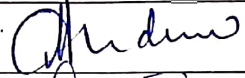

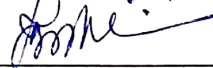

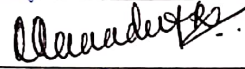

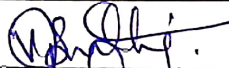

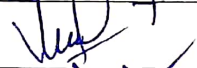

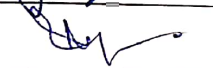

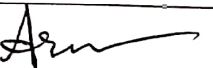

1.3 RESEARCH COORDINATOR:

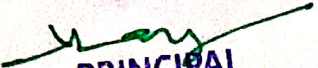

Prof R. Rajasekar /Mechanical Engineering

1. Research Policy

1.1 Prologue

Research and development (R & D) flourishes where young minds and experienced faculty work synergistically. Research and academics are two sides of coin. Sri Raaja Rajan College of Engineering and Technology (SRR CET) is committed to serve the society through the pursuit of excellence in research through inter-departmental research activities across engineering discipline. SRR CET shall ensure that research in all fields grow exponentially, keeping the ethical norms and research standard intact. This policy aims to promote quality research among the faculty members of the institution.

1.2 Purpose

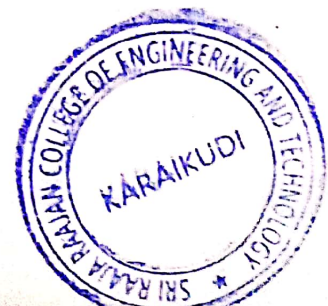

An essential component of the institution is to create and sustain an atmosphere of intellectual excitement and innovative thinking among students and faculty. The research promotion policy serves as an excellent model for up-lifting research standard of the institute. The purpose of this policy is to establish procedure for the conduct of research and scholarly activity and to promote research and innovation.

1.3 Objectives

Objectives of the research promotion policy focus on addressing social, industrial and environmental challenges through interdisciplinary research initiatives. The objectives includes

- Translating the knowledge and innovative thinking of faculty and students into new product.
- Motivating faculty to undertake national and international funded projects in the areas of science and engineering.
- Exploring knowledge by organizing conferences, workshops, seminars on recent research areas, IPR and patents.
- Motivating faculty for doctoral programme at various universities and reputed organization. Promoting analytical and experimental research.
- Deputing faculties for identification of research problems encountered by industries through industrial visit.
- Encouraging collaborative research in the institution by networking with industries and research organization.
- Enhancing faculty towards consultancy and extension activities.

Circular

The Research and development meeting for the Academic year 2023-2024 (even semester) is scheduled to be held on 15.3.2024 in smart hall at 10.30.am. All the members of research committee are requested at attend the meeting.

Agenda:

1. Confirmation of minutes of earlier meeting.
2. Approval to grant seed money.
3. Approval to send minor/major research project.
4. Approval for proposal of conference/workshop.

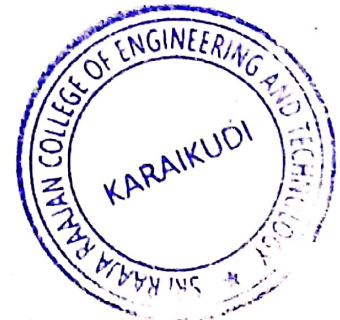

Principal

To: All the members of research committee

Copy to:

1. IQAC Cell
2. All head of department
3. SRRCET-Website In-charge
4. File
