## **Memorandum of understanding**

This is to certify that the memorandum of understanding (MoU) is made on 21<sup>st</sup> of January 2021.

### **BETWEEN**

CG Power Systems located at Devakottai.

### **AND**

Sri Raaja Raajan College of Engineering and Technology , Karaikudi hereinafter referred as "SRR CET", located at Karaikudi, Sivaganga District, Tamilnadu", recognized by AICTE and Anna university, offering quality education and philanthropy, represented by principal on the date 21-January-2021 has been signed off and both the parties agree to adhere to the MoU.

The details of the above said MoU are as follows:

- Objective : To set up a development centre at SRR CET
- Purpose : (a) To impart technical knowledge and skill for the students and faculty of CG Power Systems through internships, industrial project etc.,
- (b) To create a bridge to reduce the gap between industries and institutions.
- (c) To develop products and projects for CG Power Systems for 6 months from the date of MoU.

### **1.Scope of works:**

#### **1.1 CG Power Systems**

- a . Setting up a development centre at SRR CET.
- b . Creating awareness about the latest technologies, trends and employability/entrepreneurship skills needed to the students of SRR CET.
- c . Hiring and deploying students of SRR CET for internships.
- d . Offering live industrial design project to the willing students, as per CG Power Systems norms.
- e . Providing students and faculty development programs, whenever possible.
- f . Carrying out drafting that result in mutual growth for both CG Power Systems and SRR CET.
- g . Mentoring the students and faculty for converting their creative ideas into the projects.

**1.2 Sri Raajan Raajan College of Engineering and Technology,  
Karaikudi(SRRCET)**

- a. Provide infrastructure support to CG Power Systems based on the listed down requirements.
- b. Appoint SPOC for continuous coordination, implementation and execution of this MoU.
- c. Provide minimum 10 interns and also permit and other

CG Power Systems interns to utilize the centre, when required.

- d. Promote the need of having hands on experience in live project industrial advancements for the students in order to get the technical skill and entrepreneurial skills upgraded.
- e. Promote faculty to get latest insides about the industrial sector and give preference to industrial projects.
- f. Utilize the development centre for designing activities of SRRCET, its faculty and students.
- g. Ensure discipline, ethical behaviour of the personnel utilizing the development centre growth.

**2. Infrastructure requirements to be provided by SRRCET**

a. Work space of minimum 300sq.ft / 30sq.m with provision for displaying CG Power Systems name board and centre details and required stationery.

b. Minimum of 5 desktops/ laptops with a configuration of minimum 4GB RAM/ 500GB HDD , 2 GHZ clock speed with USB/optical drivers, uninterrupted power supply and internet connectivity( existing system from labs can be used on sharing basis.

d. Matlab , Homer pro, ETab, any desk / team viewer, antivirus and other basic software used for the major course related subject

d. support to install any additional software tools required for the development centre.

e. Provide necessary support of CG Power Systems

**3. Activities to be carried out by CG Power Systems as part of MoU**

- Internships and training for interns
- Industrial awareness for students and faculty
- Insights about latest technology and industrial trends to create awareness
- Support in creative ideas, designing activities of SRRCET and patent/IPR support.
- Live industrial projects/ case studies and working experience.
- Carry out products/ solution development at the centre.

#### **4. Financials**

This MoU does not cover any financial liabilities on both the parties.

In case of any additional services needed by SRR CET , apart from the above indicated ones, the charges will be mutually discussed and agreed on a case -to- case basis. The charges, if, any, are subject to the applicable taxes and necessary supporting bills should be accompanied.
