

THE 11TH GRADUATION DAY

08.08.2026

The 11th Graduation Day of Sri Raaja Raajan College of Engineering and Technology was celebrated with great enthusiasm and pride on 08.08.2026 at the college premises. The ceremony marked a significant milestone in the academic journey of the graduating students and was a memorable occasion for students, parents, faculty members, and distinguished guests.

The gathering was addressed by the Chief Guest, Hon'ble Minister Dr. T. K. Prabhu, Minister for Natural Resources, Government of Tamil Nadu, who delivered an inspiring Graduation Day address. The Chief Guest congratulated the graduating students on their achievements and encouraged them to pursue excellence, embrace innovation, and contribute meaningfully to society. The students were urged to continuously update their knowledge, develop strong professional values, and face future challenges with confidence.

Our Chairman, Dr. S. Subbiah, Former Vice-Chancellor of Alagappa University, delivered an inspirational and motivational Presidential Address.

The Principal, Dr. A. Muthukumar, presented the annual report of the institution, highlighting the academic achievements, research activities, placements, industry collaborations, co-curricular accomplishments, and other significant developments of the college during the academic year 2025–2026.

A major highlight of the ceremony was the conferment of degrees upon the graduating students. The degrees were awarded to students from various engineering disciplines in recognition of their successful completion of their undergraduate and postgraduate programmes.

The graduating students took the Graduation Day Oath, delivered by our Dean, Dr. M. Sivakumar, reaffirming their commitment to upholding professional ethics, serving society, and contributing to the development of the nation.

The 11th Graduation Day was indeed a memorable occasion that celebrated not only the academic accomplishments of the graduating students but also their readiness to embark on new journeys as responsible professionals and citizens.
