Request Letter for Industrial visit

Date: 09/09/2025

Place: Amaravathipudur.

From:

Civil Engineering Students

Sri Raja Rajan college of Engg & Tech
Amaravathipudur.

To :-

The Principal

Sri Raja Rajan college of Engg & Tech
Amaravathipudur.

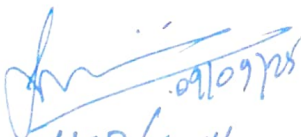

Respected Sir,

We the students of Civil Engineering department kindly request your permission to organize an Industrial visit to (Salaiyar Dam on 12/09/2025 to 13/09/2025). This visit will help us gain practical insights related to our students.

Thank you for considering our request we look forward to your positive response.

Thanking you,

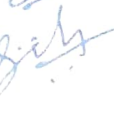

Yours faithfully,

HOD/Civil

Respected sir,

Sub: Requisition to get permission to conduct Industrial Visit to valparai for Civil Engineering students – reg.

I hope this letter finds you well. I am writing to seek your permission for an industrial visit organized for our civil engineering students, including final year, third year, and second year students, from september 11 to September 13, 2025.

The visit will take place in the scenic valparai hills area, where students will have the opportunity to observe and analyze various civil engineering structures. The itinerary includes visits to:

- Aliyar Dam
- Sholayar Dam
- Retaining wall structures
- Landscape design
- Culverts

Ph: 04565-234230, 7373711333 | E – Mail: srrcet2010@gmail.com | Website: www.sriraaajaraajan.in

This hands-on experience will greatly enhance the students' understanding of practical applications in civil engineering and will complement their theoretical knowledge gained in the classroom.

We assure you that all safety measures will be taken, and the visit will be conducted under strict supervision.

We kindly request your approval for this educational trip. Thank you for considering our request.

Introduction to Solaiyar

Solaiyar, also known as **Solaiyar Dam** or **Solaiyar Reservoir**, is one of the largest and most scenic dams in Tamil Nadu, India. It is located near **Valparai** in the **Coimbatore district**, nestled deep within the **Anamalai Hills** of the Western Ghats. The dam is part of the **Parambikulam–Aliyar Project (PAP)**, a major hydroelectric and irrigation scheme shared between Tamil Nadu and Kerala.

Constructed across the **Chalakudy River**, the Solaiyar Dam serves multiple purposes — it provides **hydroelectric power**, **irrigation water**, and helps in **flood control**. The area surrounding the reservoir is rich in natural beauty, with dense forests, tea estates, waterfalls, and diverse wildlife, making it a popular spot for eco-tourism and photography.

The **Upper Solaiyar Dam**, in particular, is a striking engineering marvel. It lies at an elevation of about **1,000 meters above sea level**, surrounded by mist-covered hills and lush greenery, creating a serene and picturesque landscape.

DETAILS OF THE JOURNEY

The complete report based on an industrial visit organized by B.E Civil Engineering students Sri Raaja Raajan college of engineering and Technology, in order to increase their knowledge.

OVERVIEW OF THE TRIP:

- Department of B.E Civil Engineering Sri Raaja Raajan college of engineering and Technology had organized an industrial visit on 11 September 2025 solaiyar Dam inspection in valparai.
- The visit was organized with prior permission and guidance of Mrs. S. Divya.
- Mr..S. Ananth ,are the Co-Ordinators for this whole industrial visit.

DETAILS OF OUR JOURNEY

Day 1: Arrival and Local Sightseeing

Morning:

- Arrive in Valparai and check into resort.(8.00AM)
- To visit retaining wall structures.
- To visit hairpin bends & road alignment.

Afternoon:

- Explore Valparai Lake. You can rent a pedal boat or enjoy a lakeside picnic.
- Visit the Aliyar Dam.
- Visit Birala Waterfalls or Nallamudi Poonjulai Viewpoint.
- **Evening:**
 - Enjoy dinner at a local restaurant.

Day 2: Nature and Adventure

Morning:

- To visit Sholayar Dam.
- Head to Loam's View Point for panoramic valley views.

Afternoon:

- Visit Grass Hills.
- Explore Guna Caves if you're adventurous (make sure to check for safety).

Evening:

- Dinner at a local cattery.

Day 3: Cultural and Historical Exploration

Morning:

- Visit the Valparai Solar Observatory for some fascinating insights into astronomy.

Afternoon:

- Explore Chinna Kallar Falls.
- Visit Early visit to Koolangal River.

Evening:

- Shop for local handicrafts and chocolates.
- Enjoy your final dinner in Valparai.
Return to college.
